The current limited edition by D.R.DIMES is a faithful reproduction of a unique and important Early American Masterpiece made in Philadelphia circa 1750-1780. To our knowledge only one example has survived and has never before been reproduced for sale to the general public. We proudly offer this piece we believe represents the pinnacle of American craftsmanship, both in the eighteenth century and today.

**Only 500 will be made
in solid tiger maple.
Each chair will be
branded, labeled and
signed by D.R.DIMES**
