Master's Rocking
Chair
New England Vase Leg**

**Height 44 1/2"
Width 28 1/4 "
Seat Depth 16 3/4"
Seat Width 22"**

The Master's Chair has always been one of our finest and most popular chairs. Designed by Douglas R. Dimes decades ago, we consider it to be as highly developed as any Windsor chair we have ever made or even seen. After many requests we decided to adapt it to a Rocking Chair.

As with the original it is a pleasure to sit in, roll your hands under the exquisitely hand carved knuckles and know that it could only be made by a master's hand.
