2040 Dunlap Candle Stand

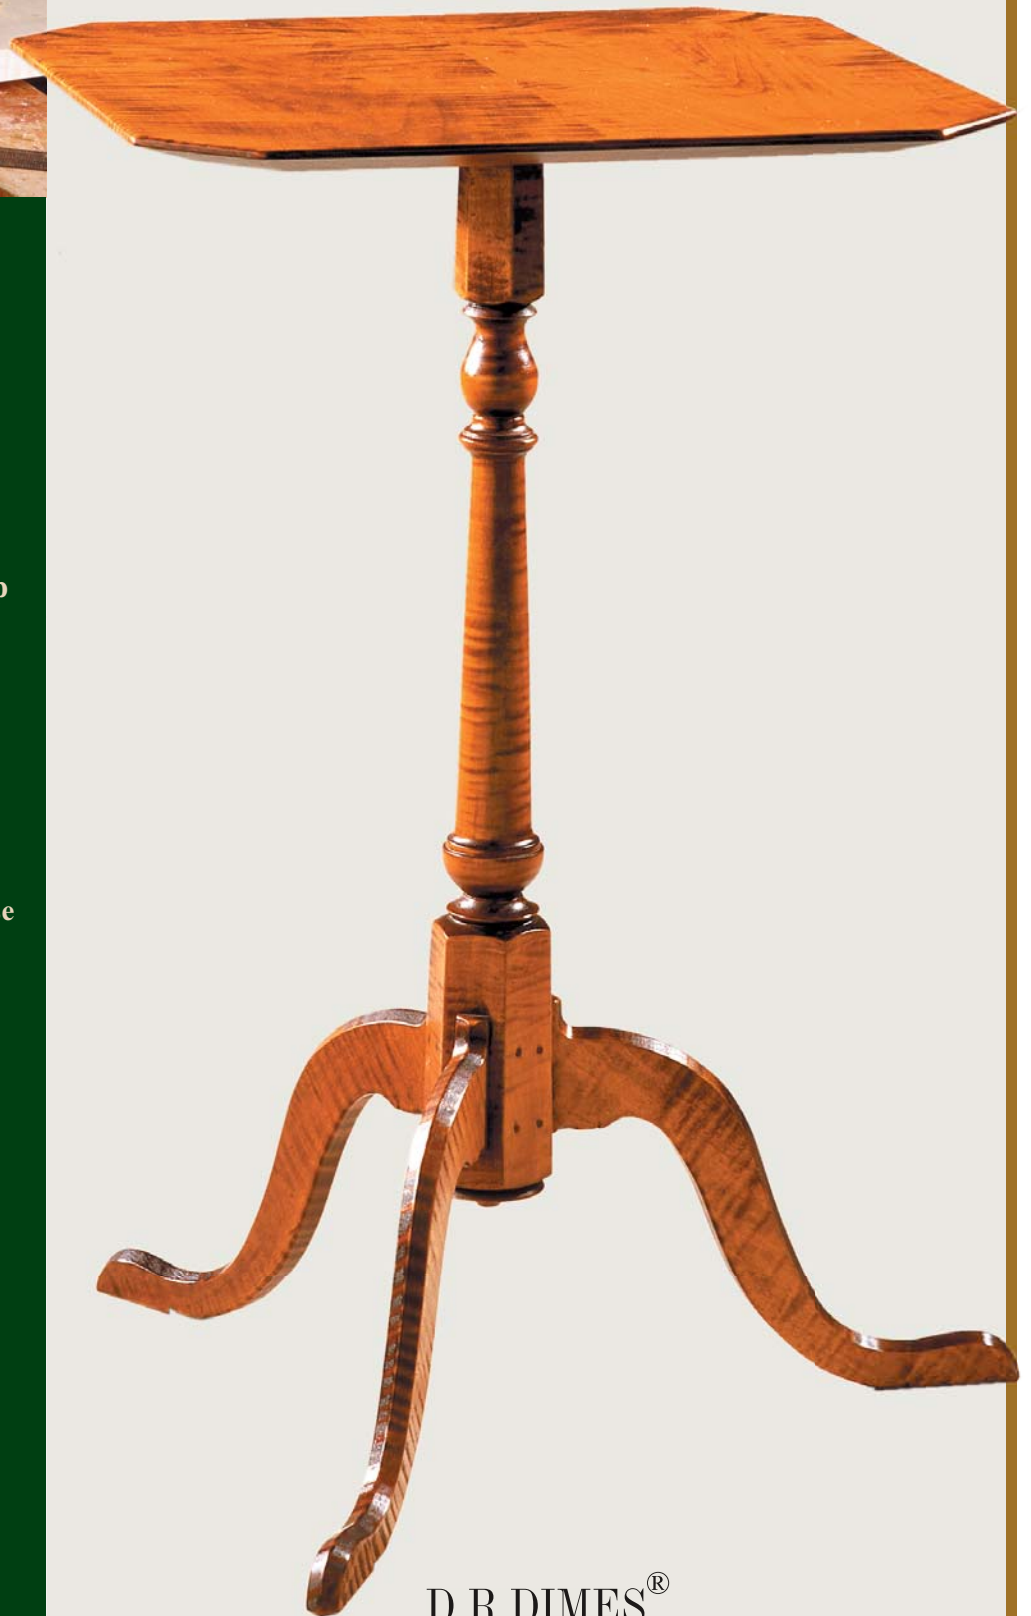

Height 26 3/4"

Length 36

Width 11"

**Available with a Pine,
Cherry or Tiger Maple Top
and in Solid Tiger Maple**

The Dunlap Candle Stand was originally made by the Dunlap shop of New Hampshire. Unlike most period candle stands the post is turned from a tapered hexagon providing a flat to mortise the legs to the posts instead of a dovetail. The turning is exceptional and all the detail of the original is carefully replicated in our table.
