2103 Hanging Wall Cupboard

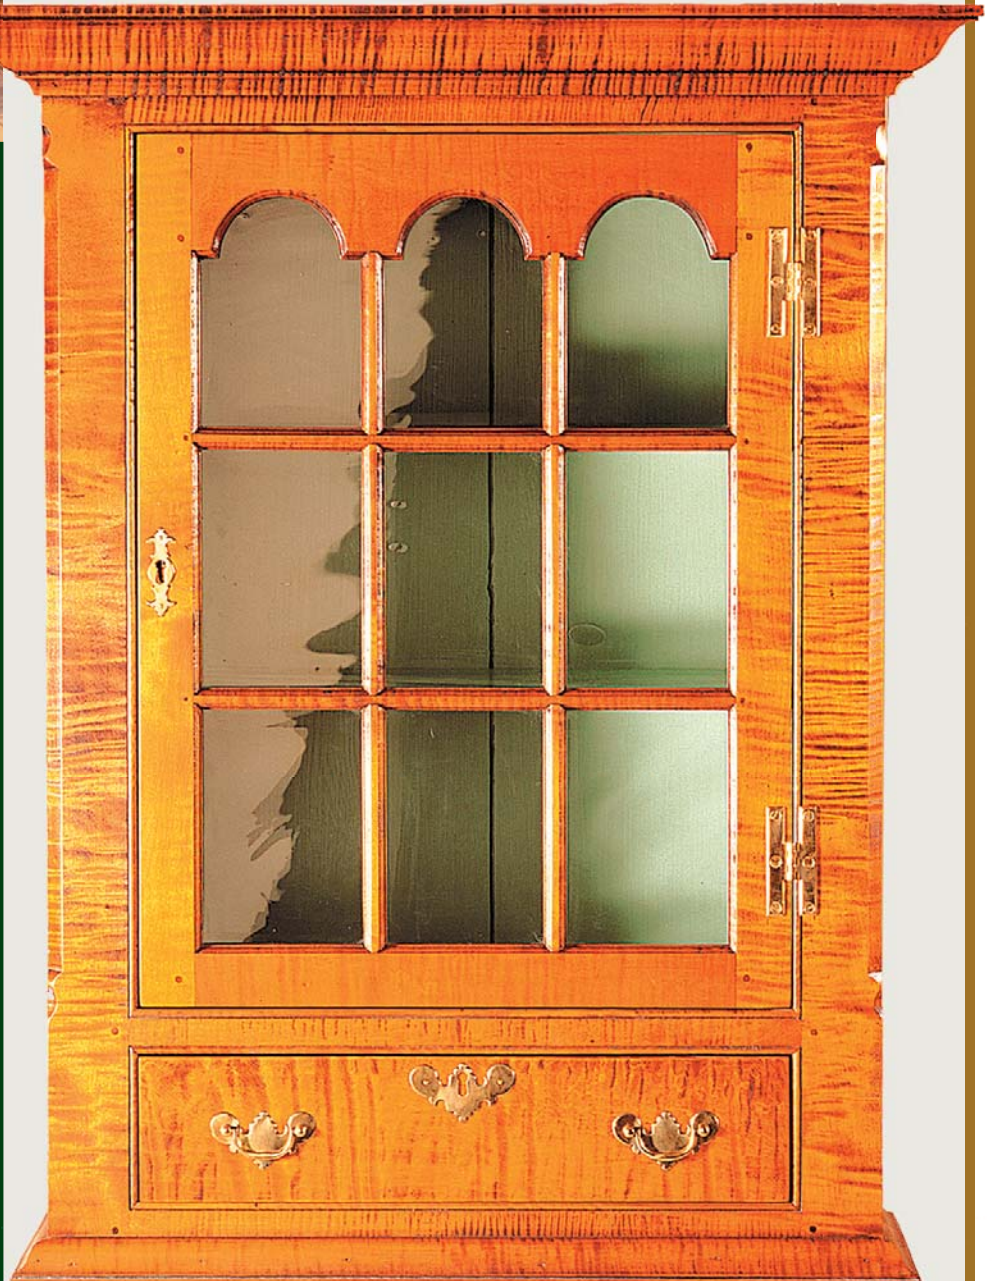

Height 32 1/4"

Width 27 1/2"

Depth 11"

Available in Tiger Maple only

This hanging wall cupboard is a masterpiece of early American design and craftsmanship. With a dovetailed case, mortise and tenon face frame the maker intended it to last for centuries. The overall proportion is perfect and the use of the moldings, hardware and arch top sash make for an exceptional composition.
