Width 17 1/2"  
Glass Size 18 3/4" x 12 1/4"**

**Available in Cherry and Tiger  
Maple**

**This mirror is based on a piece probably made in London circa 1730-1740. Part mirror and part folk art, it caught Mr. Dimes eye as a wonderful object. The day after he noticed it in Antiques Magazine we had the first one made and it has been enormously popular ever since.**
