

Small Tables

2124 Chippendale Side Table

Height 27 1/2"
Width 20 1/2"
Depth 24 1/2"

This table is made in the classic Chippendale style with the familiar elements of fluted legs, pierced corner bracket and bead moldings repeated around the waist and top. Relatively simple as Chippendale pieces go, yet slightly more formal than some of our other occasional pieces.
