

Chests

3053 Six Drawer Chest

Height 52"
Width 39 1/2"
Depth 19 1/4"

Early cabinet makers made an astounding array of different forms depending on the needs of their customers. We have a variety of pieces that serve different purposes. This piece is lovely in its simplicity. The name derives from the number rows of drawers rather than the number of actual drawers.

Available in Cherry and Tiger Maple
